

ECF Nos. 13, 11. Because Petitioner's motion to dismiss was filed before the responsive pleading filed by Defendant, Petitioner was entitled to voluntarily dismiss the case without a court order under Rule 41(a)(1)(A)(i). *Qureshi v. United States*, 600 F.3d 523, 525 (5th Cir. 2010). The undersigned therefore **RECOMMENDS** that Chief Judge Barbara M. G. Lynn direct the Clerk of Court to administratively close this case pursuant to Petitioner's request for dismissal without prejudice.

A copy of this Findings, Conclusions, and Recommendation shall be served on all parties in the manner provided by law. Any party who objects to any part of this Findings, Conclusions, and Recommendation must file specific written objections within 14 days after being served with a copy. *See* 28 U.S.C. § 636(b)(1)(B) and Fed. R. Civ. P. 72(b)(1). In order to be specific, an objection must identify the specific finding or recommendation to which objection is made, state the basis for the objection, and specify the place in the magistrate judge's findings, conclusions, and recommendation where the disputed determination is found. An objection that merely incorporates by reference or refers to the briefing before the magistrate judge is not specific. Failure to file specific written objections will bar the aggrieved party from appealing the factual findings and legal conclusions of the magistrate judge that are accepted or adopted by the district court, except upon grounds of plain error. *See Douglass v. United Services Auto. Ass'n*, 79 F.3d 1415, 1417 (5th Cir. 1996) (en banc).

Signed June 17, 2020.

Hal R. Ray, Jr.
UNITED STATES MAGISTRATE JUDGE
